INDIVIDUAL & GROUP RESERVATIONS

OVERFLOW CASINO /

If a booking is from 1 to 7 rooms, it will fall under the category of Individual Room Reservations. Requests over 7 rooms will be designated as a Sub-Group Reservation. Depending on the complexity of the reservations, you may be required to submit a Rooming List to our office. We will fax or send you the necessary form(s) for you to duplicate. When you receive it, please take special note regarding payment requirements. If you need to reserve a Hospitality Suite, this can also be done through our office. However, after you receive your suite confirmation, you must make all food and beverage arrangements directly with the hotel of your choice. **Please Note**: Also, Food & Beverage must be purchased from the Hotel through Room Service or the Catering Department. Casino rooms are to be used for lodging, suites for social/and or business receptions, and not to be used for exhibition and/or the sale of goods, products, wares or services or any other commercial activities. **Also:** The Resale of Rooms & Suites is Strictly Prohibited.

CONFIRMATIONS

CONFIRMATIONS All persons who make reservations through our service will receive a Color Coded, Travel Voucher / Form in the mail, which must be submitted to the Front Desk at time of Check-In. Since your credit card numbers are part of the booking process, for security purposes we prefer not to e-mail confirmations over the Internet. <u>Upon receiving the Voucher, you may wish to make a copy for tax purposes</u>. This document will indicate your arrival and departure dates, the room rate including taxes, method of payment and cancellation policy. (Please check for any discrepancies upon receipt of your Travel Voucher, Thank You). If you are sharing a room with another person, we will need to know the name. The person making the reservation and his/her credit card will fully Pre-Pay the room, and he or she will be the person to whom the room will be registered for check in. We suggest that the originator of the reservation check into the hotel first, or that both originator and guest check in at the same time. Gambling is a Regulated Industry in the State of New Jersey, therefore, the Casino Control Commission requires that the person whose name is on the original reservation must be the person checking into the Casino Room. Identification documents will be requested upon Check-In at the Front Desk. The Office of Homeland Security & The NJ State Casino Control Commission requires strict identification procedures upon Check-In. (Photo I.D. Required). **Please be advised:** Surveillance Cameras are located at the Front Desk to monitor Check-In and Check-Out. Also: you must be 21 years of age to legally participate in casino gaming or to consume or purchase alcoholic beverages in the State of New Jersey.

CONFERENCE RATES & TAXES

CONFERENCE RATES & TAXES Room rates are for Single or Double Occupancy Per Room, Per Night. A 13.625% city and state tax will be added to the room rate and/or resort fees. Reservations must be made prior to each casino or hotel's Cut Off Date. After that date, all requests will be based upon availability and Rates are Subject to Change. A State Tourism fee & occupancy tax per night of \$5.00 total for casinos and \$1.00 for non-casino hotels is in effect and must be added to the above rates. Most casinos charge a \$5.00 per day Self Parking fee (Subject to change). (Higher Rates in effect for Valet Parking) which is paid to the Casino upon Check-Out. Please Note: These fees are subject to change without notice at all Hotel & Casino properties. Upon check-in, Cash or Your Credit Card deposit will be required for incidental charges, telephone calls, room service, etc. to be Paid Upon Check-Out. ALL CASINOS AND HOTELS WILL REQUIRE FULL PREPAYMENT. AmeriRoom will charge your credit card from its office for rooms and tax, etc. at the time of the booking. AmeriRoom/ECA will show up on your next monthly credit-card billing indicating the room and tax charges. In addition to the travel voucher, you will receive the original credit card receipt. In essence, we have "purchased" rooms from several overflow casinos and hotels so that we can still maintain an inventory of room after the early cut off dates. However, to guarantee the rate and the room, it must be paid for in advance. Thank You! <u>UPDATE</u>: Most casinos & hotels in Atlantic City (& Las Vegas) now charge a "RESORT FEE", and in most cases for those booking through AmeriRoom these Fees will either be discounted or waived altogether. (Resort Fees & Taxes subject to change).
