The consignment or delivery of a shipment to *Vista Convention Services* by an exhibitor, or by any shipper to or on behalf of the exhibitor, shall be construed as an acceptance by such exhibitor (and/or other shipper) of the terms and conditions set forth.

Rates are based on incoming weight only. All weights are rounded off to the next 100 weight. Each shipment received is considered separately. Freight handling charges are the responsibility of the exhibitor.

Exhibitors are urged to carry all-risk floater insurance covering their materials against damage, loss, and all other hazards from the time shipment is made prior to the show until shipments are received back after the show. This can generally be done by adding "riders" to existing insurance policies, often at no additional cost.

Empty container labels will be available at the Service Desk. Affixing the labels is the sole responsibility of the exhibitor or his representative. *Vista* assumes no responsibility for removal of containers with old Empty labels, mislabeled, or valuables stored inside containers while containers are in storage.

Outbound shipping labels and bills of lading will be available at the Service Desk. Exhibitor or his/her representative must pack and label their exhibit material and turn in bill of lading for each shipment at the Service Desk before leaving the show. *Vista* will route all shipments unless a designated carrier has been assigned. If the designated carrier fails to pick up by the removal date of the show, *Vista* reserves the right to route exhibit material by an alternate carrier. As a result of re-routing or handling no liability will be assumed by *Vista*.

2025 SMART CITY NETWORKS. ALL RIGHTS RESERVED. EFFECTIVE FEBRUARY 3, 2025 - DECEMBER 31, 2025 - V020325

FAC Frequently Asked Questions

DOES SMART CITY NETWORKS PROVIDE COMPLIMENTARY WI-FI?

Yes! Smart City Networks provides complimentary Wi-Fi in most designated public areas of the facility, such as the concourse lobbies and food courts. Check with your specific venue for locations. This service is made available to approximately 30 million guests, visitors, and attendees at our convention centers throughout the country. There is no requirement to purchase a Smart City Networks service in order to take advantage of the complimentary Wi-Fi.

WHY DOESN'T SMART CITY NETWORKS PROVIDE COMPLIMENTARY WI-FI IN THE EXHIBIT HALLS?

Exhibit halls are not public areas since this space is typically licensed to a company, government agency, or trade association for a private event. The space license agreement governs the availability of a range of services for the event and the license may or may not call for complimentary Wi-Fi services.

WILL MY PERSONAL HOTSPOT (MI-FI) WORK IN YOUR BUILDING?

Yes – however, the capability of your personal mobile hotspot is limited by your cellular carrier by the spectrum and Internet bandwidth capacity they have made available. Cellular carrier signals penetrate into a facility either from a nearby cellular tower or via an in-building Distributed Antenna System (DAS). It is important to remember that your personal mobile hotspot is obtaining a wireless signal from a shared cellular network, so service may be disrupted or become unreliable due to user density and demand on the carrier's network. In all cases, you have the option to take advantage of the complimentary Wi-Fi throughout the public areas, or if you choose, you can purchase an upgraded package based on your service requirements.

WHAT MUST BE IDENTIFIED ON MY FLOORPLANS?

Floor plans should include the surrounding booth numbers for orientation, measurements and easy identification of all required end location(s). Be sure to distinguish your main distribution line (MDL) and additional patch cables. Please reference Smart City's Communications Floorplan Worksheet.

TIP: Most of our venue's data jacks originate from a floor pocket. Be sure to submit a completed floorplan prior to the first day show move-in to avoid any additional labor charges.

Order online at:

orders.smartcitynetworks.com

or call 888.446.6911

DO YOU OFFER INCENTIVE RATES?

Yes! Orders received along with payment by the incentive deadline date will receive our early incentive pricing.

WHY ARE ROUTERS NOT ALLOWED ON A SHARED NETWORK?

Many times, Smart City has found that routers on a shared network are installed incorrectly, which can cause problems for other users of the network. Additionally, an accurate count of the number of devices on the network is required to determine the appropriate network size and bandwidth available to the network. For more information and to request the build-out of a special system to meet your needs, contact our team today for a quote.

CAN I PROVIDE MY OWN SWITCH AND/OR CABLING?

Yes, you can provide your own switch and patch cables for in booth cabling. Unless otherwise mandated by the venue.

Please Note: Connectivity can be guaranteed only to the point where Smart City Networks' services originate in the booth. Smart City Networks cannot guarantee service on customer/exhibitor-provided cable(s) and/or equipment. Any request for trouble diagnosis or problem resolution found not to be the fault of Smart City Networks (such as faulty equipment or damaged cable) may be billed to the exhibitor at the prevailing labor rate.

HOW MUCH BANDWIDTH DO I NEED?

To identify how much bandwidth you should require, please reach out to a technical representative in your organization, review your program specifications listed with any demonstrations or downloads you plan to run.

WHAT DOES SD, HD, AND UHD STAND FOR?

SD, HD, and UHD are the abbreviated names of three video streaming formats. The basic difference between each of the formats is the number of pixels comprising the video image. The greater the pixel count the sharper and more detailed your video will be.

FORMAT	RESOLUTION	BANDWIDTH REQUIRED
Standard Definition (SD)	720x480	3.0-5.0 Mbps
High Definition (HD)	1280×720 & 1920×1080	5.0-8.0 Mbps
Ultra High Definition (UHD)	3840x2160	25 Mbps

IMPORTANT GENERAL INFORMATION: PLEASE REVIEW PRIOR TO MAKING YOUR RESERVATION!

AmeriRoom Reservations Bureau will be responsible for all Casino and Hotel Room Reservations for the upcoming TRIPLE PLAY Convention, December, 2025. To book a room at one of the participating casinos or hotels, call to make room reservations directly through our office at 1-800-888-5825. All requests will be based upon availability and will be taken on a first-come, first served basis. The earlier you make your reservations, the better chance you have of staying at the casino/hotel of your choice. If by chance you contact the casinos or hotels directly, they will refer you back to our office. We expect a great many calls after the first notice, so we ask for your patience. If you cannot get through to our reservations agents on the first attempt, please try again. Please be assured that at the beginning of this process in mid September and October, a full inventory of rooms will be available! Please Note: All Room Reservations are taken by Telephone Order only.

CONFERENCE REGISTRATION NUMBER
THERE IS ONE IMPORTANT REQUIREMENT PRIOR TO AMERIROOM ACCEPTING YOUR RESERVATION. YOU MUST HAVE ALREADY REGISTERED FOR THE CONFERENCE WITH THE TRI-STATE ASSOCIATION OF REALTORS OFFICE AND HAVE BEEN ASSIGNED A CONFERENCE REGISTRATION #. INDIVIDUAL & GROUP RESERVATIONS

If a booking is from 1 to 7 rooms, it will fall under the category of Individual Room Reservations. Requests over 7 rooms will be designated as a Sub-Group Reservation. Depending on the complexity of the reservations, you may be required to submit a Rooming List to our office. We will fax or send you the necessary form(s) for you to duplicate. When you receive it, please take special note regarding payment requirements. If you need to reserve a Hospitality Suite, this can also be done through our office. However, after you receive your suite confirmation, you must make all food and beverage arrangements directly with the hotel of your choice. **Please Note:** Also, Food & Beverage must be purchased from the Hotel through Room Service or the Catering Department. Casino rooms are to be used for lodging, suites for social/and or business receptions, and not to be used for exhibition and/or the sale of goods, products, wares or services or any other commercial activities. **Also:** The Resale of Rooms & Suites is Strictly Prohibited.

CONFIRMATIONS

All persons who make reservations through our service will receive a Color Coded, Travel Voucher / Confirmation in the mail, which must be submitted to the Front Desk at time of Check-In. Since your credit card numbers are part of the booking process, for security purposes we prefer not to e-mail confirmations over the Internet. Upon receiving the Voucher, you may wish to make a copy for tax purposes. This document will indicate your arrival and departure dates, the room rate including taxes, method of payment and cancellation policy. (Please check for any discrepancies upon receipt of your Travel Voucher, Thank You). If you are sharing a room with another person, we will need to know the name. The person making the reservation and his/her credit card will fully Pre-Pay the room, and he or she will be the person to whom the room will be registered for check in. We suggest that the originator of the reservation check into the hotel first, or that both originator and guest check in at the same time. Gambling is a Regulated Industry in the State of New Jersey, therefore, the Casino Control Commission requires that the person whose name is on the original reservation must be the person checking into the Casino Room. Identification documents will be requested upon Check-In at the Front Desk.
